In 2001, Champions were born.

25 years ago, a mirage in the desert turned into baseball immortality. A franchise in its infancy stared down renowned legends, rewrote October into the unchartered dawn of November, and proved that heart beats history. Your 2001 Arizona Diamondbacks shocked the world and delivered a World Series title to the Valley of the Sun, all the while establishing the franchise's DNA that rings true a quarter-century later: Tough. Connected. Dangerous.

The silver anniversary of a gold standard shines brightest in its natural setting. This year Chase Field will play host to 25 years of memories for a 25-man roster with a legacy that will last a lifetime. Throughout the season, fans will relive the magic of 2001 and honor the players, performances, and moments that made the Grand Canyon State the epicenter of the baseball universe, culminating in a special 25th Anniversary celebration and full-team reunion on Saturday, September 19.

25 years later, the spirit of 2001 lives on in the memories, in the fans, and in the fabric of the franchise. Born in the desert. Forged on the grandest stage. Defined by greatness. A legacy remembered.

In 2026, Champions are forever.

Major League Baseball introduced its first-ever "All-MLB Team" awards in 2019 to give a more comprehensive honor that covered the full breadth of a big league season, complementing the All-Star Game selections that are awarded just past the season's halfway point. There are first and second teams, and voters were asked only to consider performance during the regular season when casting their ballots. Fans accounted for 50% of the voting for the All-MLB Team, with a panel of experts handling the other 50%.

Rawlings GOLD GLOVE AWARD

Given out since 1957, the Gold Glove honors the best defenders at each position in each league. Major League managers and coaches, voting only within their league and unable to vote for players on their own teams, account for 75 percent of the selection process. The other 25 percent goes to the sabermetrics community. Since 1958, separate AL and NL Gold Gloves have been awarded.

Named for the winningest pitcher in baseball history, the Cy Young Award is voted upon by the Baseball Writers' Association of America prior to the beginning of the Postseason. From 1956 to 1966, the award was given to one pitcher, but has been given to one pitcher per league since 1967. The vote totals are based on a weighted points system.

Given out since 1980, the Silver Slugger recognizes the best offensive players at each position in each league. The winners are voted upon by Major League managers and coaches, who are unable to vote for players on their own teams. The Diamondbacks had a franchise-record 3 winners in 2025, as 2B Ketel Marte, SS Geraldo Perdomo and OF Corbin Carroll each received the honors. It was the first time the D-backs had multiple winners in a single season since 2018.

ROOKIE OF THE YEAR

Given to the top rookie-eligible players in both leagues, the Rookie of the Year Awards are voted upon by the Baseball Writers' Association of America prior to the beginning of the Postseason and are based on a weighted points system. From 1947-48, it was given to the Majors' best overall rookie, but has been given to one player per league since 1949. On the 40th anniversary of the first award, the honor was named for Jackie Robinson, its first winner.

14 LITTLE LEAGUE OPENING DAYS VISITED

DIAMONDBACKS YOUTH JERSEY PROGRAM

IN PARTNERSHIP WITH

AVNET · Fry's Food Stores · Tide · Phoenix Children's

Since 2014, the Arizona Diamondbacks have been committed to breaking down financial barriers to youth sports participation through the D-backs Give Back Youth Jersey Program. In 2025, in partnership with Avnet, Fry's Food Stores, Tide, and Phoenix Children's, the program provided over 65,000 young athletes across 116 youth baseball and softball leagues in Arizona with free, high-quality jerseys and caps.

By fully covering uniform costs, the program enables leagues to redirect limited funds toward critical needs like equipment, facility upgrades, and lowering registration fees. This has become especially impactful as youth baseball and softball participation continues to rise—reaching its highest levels since 2008.

The D-backs amplified their commitment by attending 14 Opening Days throughout the state in 2025, including inaugural visits to Salt River Little League, Superior Little League, Pinal Mountain Little League, Nogales National Little League, Hayden-Winkelman Little League, Flagstaff Girls Softball, and Diamondback Little Leagues. These appearances brought excitement, visibility, and support to communities that often have limited access to professional sports outreach.

By investing in the future of the game and making diamond sports more accessible to all, the D-backs Give Back Youth Jersey Program remains one of the Foundation's most impactful and far-reaching initiatives.

The Arizona Diamondbacks Foundation hosted two free Girls Play Ball clinics in 2025—welcoming nearly 200 girls ages 7–14 to Chase Field and Salt River Fields for on-field instruction, stadium experiences, and skill-building. Each participant received a beginner glove, custom swag, and tickets to a 2026 D-backs game. Designed to empower young girls through baseball, the program has impacted over 800 participants from more than 25 Arizona communities since its launch. The June clinic also included a special on-field parade during National Girls in Sports Day, highlighting the D-backs' ongoing commitment to growing the game and building confidence, health, and opportunity for the next generation of female athletes.

The D-backs Nike RBI program provides high school baseball and softball players from underserved communities with access to professional-level training, academic support, and opportunities for personal growth. Since its launch in 2021, the program has grown to include both baseball and softball programs. Many of the athletes go on to earn college scholarships, employment with the D-backs Baseball Academy and at Chase Field, and opportunities in collegiate baseball and softball, all while learning the values of teamwork, perseverance, and leadership.

Through these programs, the Arizona Diamondbacks Foundation continues to create life-changing experiences and foster the next generation of leaders both on and off the field.

PLAY BALL FUND

presented by

arizona complete health

In partnership with Arizona Complete Health, the Arizona Diamondbacks Foundation continued its commitment to growing youth baseball and softball across the state through the D-backs Give Back Play Ball Fund. In 2025, the program awarded $60,000 in grants to 15 youth sports teams and organizations, providing vital support for equipment, player fees, coaching resources, and facility improvements. Grant recipients were honored in pre-game recognition ceremonies at Chase Field in April and September, celebrating the efforts of parents, coaches, and mentors who make youth sports possible. Organizations recognized included Apache Junction Little League, Barry Goldwater High School Baseball, South Mountain Little League, and Wolfpack AZ Baseball, among others. Since its launch, the Play Ball Fund has supported over 60 Arizona-based programs, ensuring that more kids have access to the game and its lifelong benefits, regardless of financial barriers.

2025 D-BACKS INTER-TRIBAL TOURNAMENT

PRESENTED BY TALKING STICK RESORT

NATIVE AMERICAN RECOGNITION DAY

IN PARTNERSHIP WITH

RESOLUTION COPPER

presented by TALKING STICK RESORT

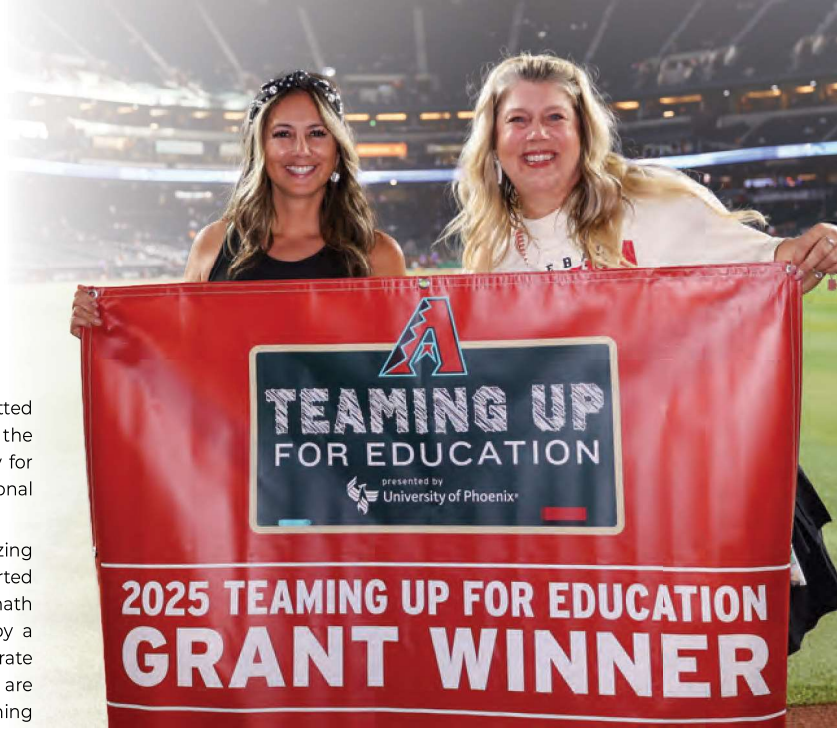
In its 25th year, the D-backs Inter-Tribal Youth Baseball and Softball Tournament continues to stand as the largest Native American baseball and softball tournament in the world, and the only one of its kind hosted by a Major League Baseball team. Held June 2–5, 2025, in partnership with Talking Stick Resort, Resolution Copper, Nike, and the Salt River Pima-Maricopa Indian Community, this year's event welcomed 79 teams, including over 1,050 young athletes and 280 coaches representing tribal nations from Arizona, New Mexico, California, and Oklahoma.

Launched by the Arizona Diamondbacks Foundation in 1998 and operated by the D-backs Baseball Academy, the tournament creates an accessible, empowering space where Native youth athletes play on Major League-caliber fields, including Salt River Fields at Talking Stick, the first professional sports facility on tribal land. As the tournament has grown, additional games are hosted on community fields throughout the Phoenix area—many of which were built or enhanced with support from the Foundation.

And With a $1.5 million investment, the tournament has impacted more than 20,000 Native American youth, providing low-cost entry, uniforms, and equipment to remove financial barriers. For many players, this event is about more than the game it's a chance to step beyond geographic and socioeconomic limits, connect with other tribal communities, and be seen on a Major League stage.

The 2025 tournament was once again held in conjunction with Native American Recognition Day at Chase Field, where participating teams were honored in front of thousands of fans. This recognition reinforces the Diamondbacks' ongoing commitment to diversity, inclusion, and cultural celebration, as well as to elevating the visibility and voices of Native American athletes. More than just a competition, the Inter-Tribal Tournament fosters unity, pride, and lasting hope - strengthening families, honoring heritage, and proving that sports can be a catalyst for opportunity, inspiration, and change.

TEAMING UP FOR EDUCATION
presented by University of Phoenix



The Arizona Diamondbacks Foundation and University of Phoenix are committed to supporting Arizona educators and enhancing student learning. Through the Teaming Up for Education Grants, K–12 teachers and administrators can apply for grants of $1,000–$10,000 to bring innovative projects to life that improve educational outcomes, incorporate new technology, or promote student wellness.

In 2025, the program invested up to $150,000 in Arizona schools, prioritizing underserved communities and unique projects. Past grants have supported initiatives such as robotics clubs, music programs, classroom upgrades, math projects, and collaborative learning experiences. Applications are reviewed by a panel of Diamondbacks and University of Phoenix employees and must demonstrate innovation, impact on students, and a clear plan for the use of funds. Educators are encouraged to apply to bring their creative ideas to life and transform the learning experience for their students.

ARIZONA DIAMONDBACKS
SCIENCE OF BASEBALL
PRESENTED BY RESOLUTION COPPER

Since 2012, the Arizona Diamondbacks, in partnership with Resolution Copper, have promoted STEM education through the D-backs Science of Baseball initiative. Using baseball as a platform, the program engages students, teachers, and schools with hands-on activities, educational resources, and ballpark field trips, demonstrating how science, technology, engineering, and math are part of the game. The initiative also provides free workshops and professional development for educators, helping connect classroom learning to real-world STEM applications in sports.

D-BACKS STEM DUGOUT

Presented by

RESOLUTION COPPER

The Arizona Diamondbacks Foundation created the STEM Dugout, presented by Resolution Copper, to showcase the connection between baseball and science, technology, engineering, and math (STEM). Located near section 327 on Chase Field's upper concourse, the STEM Dugout offers kids the chance to explore STEM facts, play baseball-themed educational games, and take photos in a special dugout next to manager Torey Lovullo. Throughout the season, local STEM-promoting non-profits and community groups activate at the Dugout, providing hands-on, interactive experiences for fans of all ages and encouraging exploration of STEM in a fun, baseball-themed environment.

D-BACKS CELEBRITY GOLF CLASSIC

PRESENTED BY SANDERSON Ford

The 2025 D-backs Celebrity Golf Classic, presented by Sanderson Ford, welcomed 120 golfers and raised over $225,000 in support of Arizona's veteran community. Held at Talking Stick Golf Club, the event featured appearances from 25 D-backs alumni, broadcasters, players, and coaches, and concluded with the Budweiser VIP after-party at the newly renovated clubhouse. Proceeds from the 2024 and 2025 events support the Veterans Community Project and its mission to build tiny homes for unhoused veterans in Glendale. Since its inception in 2011, the tournament has raised more than $1.7 million for military-focused nonprofits.

STRIKEOUTS HELPING Heroes
PRESENTED BY CIRCLE K

Strikeouts Helping Heroes, presented by Circle K, is a season-long initiative by the Arizona Diamondbacks Foundation to raise funds and awareness for veterans facing homelessness, PTSD, addiction, and the challenges of transitioning to civilian life. For every strikeout thrown by a D-backs pitcher in 2025, $10 was donated by Circle K and the Foundation to support veteran-focused programs and services. Beyond the ballpark, the D-backs and Circle K partnered on hands-on community service projects, further demonstrating their commitment to honoring and supporting Arizona's military heroes.

HITS FOR HEROES
PRESENTED BY NuVision AUTO GLASS

The Arizona Diamondbacks Foundation and NuVision Auto Glass have teamed up to support Arizona veterans in need through the Hits for Heroes program. Throughout the season, $20 is donated every time a D-backs player records a hit, funding projects that improve healthcare, treatment, and rehabilitation, while providing projects that improve healthcare, treatment, and rehabilitation, while providing support to veterans and their families on their journey toward stability and success. Beyond the donations, the D-backs and NuVision Auto Glass also organize community service projects to honor and give back to those who have sacrificed for our country, making a meaningful impact both on and off the field.

PLEA CHARITIES

POLICE vs FIRE

SOFTBALL GAME

493 FIREFIGHTER FOUNDATION SINCE 1968

Following the D-backs vs. Marlins game on Saturday, June 28, fans were invited to stay for the first-ever Police vs. Fire softball game. The friendly matchup featured teams from the Phoenix Police Department and Phoenix Fire Department, led by honorary managers Randy Johnson and Luis Gonzalez. A portion of ticket sales from the special event package supported the Phoenix Law Enforcement Association (PLEA) Charities and the Local 493 Firefighter Foundation, and proceeds from the 50/50 raffle were split between the two organizations. Fans enjoyed a fun, postgame showdown that celebrated camaraderie, community support, and charitable giving, with the Police team taking home the win, 22-10.

PROUDLY CELEBRATING APS

A legacy partner of the Arizona Diamondbacks Foundation since day one!

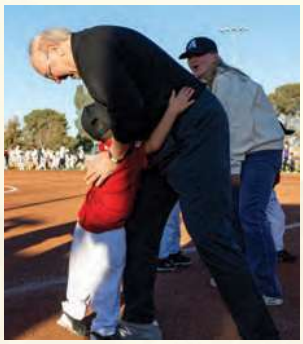
MIKE KENNEDY DIAMONDS BACK Fields
TURNING DIRT INTO DIAMONDS

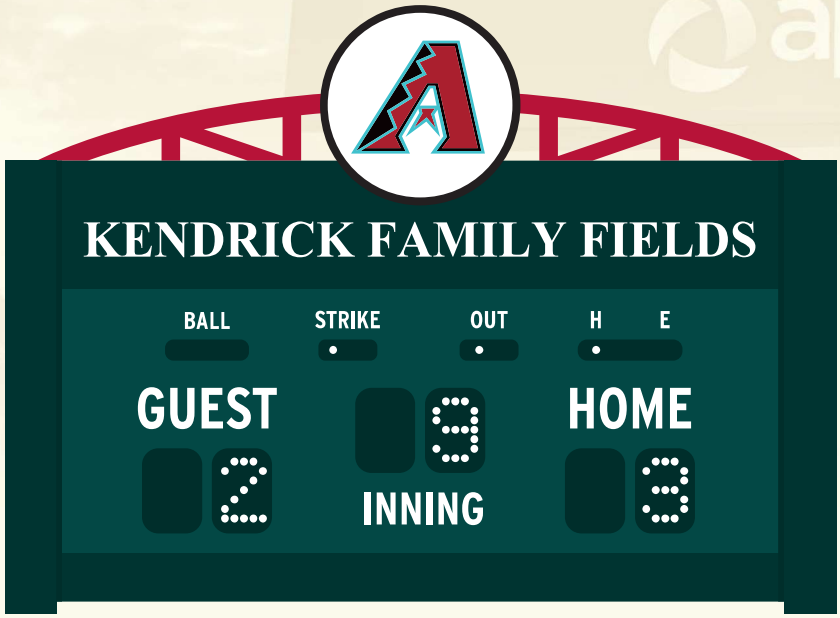
PRESENTED BY aps

Through the Mike Kennedy Diamonds Back Field Building Program, the Arizona Diamondbacks Foundation and APS build and refurbish baseball and softball fields each year across Arizona. On September 18, 2025, the newest field was dedicated in Phoenix as Ketel Marte Field, honoring the impact and inspiration of Diamondbacks star Ketel Marte. This field reflects his love for the game and his dedication to giving back to the youth of Arizona.

Thanks to the generosity of the Arizona Diamondbacks Foundation and APS, Ketel Marte Field received significant improvements including new LED lighting, fencing, a renovated infield, upgraded dugouts, and a brand-new large scoreboard.

Ketel Marte Field will serve as a community gathering place, a source of pride, and a safe environment for hundreds of young athletes in RAMMS Little League to learn, play, and grow through the game of baseball.





The Kendrick Family Field Program is a passionate commitment from the Kendrick family to invest in opportunities that demonstrate their love of baseball, and fund sport opportunities that enable children to learn leadership, teamwork, sportsmanship and determination. Ken and Randy Kendrick, alongside their children Cal and Catie, proudly work with the Arizona Diamondbacks Foundation to refurbish fields for youth baseball and softball leagues in need through the D-backs Give Back Youth Jersey Program.

Each field stands as a point of pride and a gathering place in local communities where volunteer parents and coaches come together to spend time with their children, teaching and inspiring through baseball and softball. The Kendrick Family Field program renovations feature a big-league plan and quality materials designed in partnership with the local league officials. Leagues will be encouraged to use these quality fields to grow participation in the game.

KEN KENDRICK Grand Slam AWARDS

In 2025, the Arizona Diamondbacks Foundation awarded a combined $946,000 to six Arizona-based nonprofits through the Ken Kendrick Grand Slam Awards. Established in 2002 and renamed in 2016 in honor of D-backs General Managing Partner Ken Kendrick, this signature grant program supports large-scale projects that enhance the capacity, efficiency, or effectiveness of nonprofit organizations.

Since its inception, the program has distributed over $11.2 million to organizations across Arizona, funding initiatives in areas such as homelessness, healthcare for the underserved, and youth programs.

In 2025, the Ken Kendrick Grand Slam Awards provided grants ranging from $50,000 to $250,000, enabling nonprofits to undertake significant projects that expand services, improve operations, and better serve those in need.

The Arizona Diamondbacks congratulate the recipients and commend their dedication to making a positive impact in our communities.

Ken Kendrick Grand Slam Spotlight

On May 17, 2025, the Hartley & Ruth Barker Branch of the Boys & Girls Clubs of Greater Scottsdale unveiled the Diamondbacks Reading Room, a vibrant space designed to inspire a love of reading and learning, made possible by a $25,000 grant. Featuring cozy seating, interactive elements, and cultural insights, the room gives youth a fun and engaging environment to build confidence, explore new ideas, and improve academic skills. Community leaders and families praised the project for its impact on students' attitudes toward learning and its ability to create a welcoming, inspiring space for all members.

D-backs & Honeywell Launch Back-to-School Program

The Arizona Diamondbacks and Honeywell are proud to support students as they get ready for the 2025–2026 school year through the D-backs and Honeywell Launch Back-to-School Backpack Program. During the month of July, 3,000 backpacks filled with school supplies were donated and distributed free of charge at a series of back-to-school events across the Valley. Students received a backpack, a D-backs and Honeywell illustrated STEM storybook, and a D-backs pencil pouch filled with pencils, highlighters, glue sticks, and more. In 2025, Diamondbacks Foundation staff and Honeywell volunteers visited seven Phoenix-area Title I schools and school fairs to deliver backpacks in person. At Valencia Newcomer School, students were surprised by Geraldo Perdomo and Honeywell Aerospace Technologies, receiving backpacks, school supplies, and copies of Perdomo's STEM-themed book, Great Moon Trap Escape.

Martian Moon Mayhem STEM Bilingual Storybook

Each year, the Arizona Diamondbacks and Honeywell create fun, educational STEM storybooks featuring the D-backs mascot D. Baxter alongside a Diamondbacks player. In 2025, Geraldo Perdomo was the featured player, helping bring STEM concepts to life for students.
The books are distributed at select home games and delivered directly to elementary schools, giving students a fun, hands-on way to explore science, technology, engineering, and math. As part of the Launch Back-to-School program, Perdomo helped distribute the STEM storybooks, inspiring a love of learning and encouraging students to explore STEM at school and at home.

D-backs Kids Club inspired by Honeywell

The D-backs Kids Club, in partnership with Honeywell, is a free program for fans 15 & younger that combines the excitement of baseball with hands-on STEM learning. Members earn prizes for attending games and enjoy exclusive benefits, including free tickets and access to STEM activities designed to inspire curiosity, creativity, and a love for science, technology, engineering, and math.

Honeywell Futureshaper Robotics Competition

The Arizona Diamondbacks and Honeywell support STEM learning in Arizona through the Futureshaper Robotics Program, helping schools of all levels develop robotics skills and a love for science, technology, engineering, and math. The program's highlight, the Honeywell Futureshaper Robotics Competition, blends baseball and technology as students design robots to complete challenges like hitting, throwing, running bases, and navigating an obstacle course. In 2025, 14 schools competed at Chase Field, with every team receiving at least $500 and Globe High School winning $2,000. The program emphasizes creativity, collaboration, and accessibility, inspiring Arizona's next generation of STEM leaders.

D-backs & Honeywell Futureshaper STEM Grants

The Arizona Diamondbacks and Honeywell are proud to support outstanding STEM educators and initiatives in Arizona through the Futureshaper STEM Grants Program. During the 2025 season, 10 schools received $5,000 grants to bring innovative STEM projects to life. At the end of the season, one school with a particularly creative idea is awarded a $15,000 grant to further expand their program. The program is open to all Arizona public, private, and nonprofit charter schools serving Kindergarten through 12th grade. Applications can be submitted by teachers, coaches, administrators, or authorized district representatives aged 18 or older. This initiative reflects the D-backs and Honeywell's commitment to fostering innovation, hands-on learning, and the next generation of STEM leaders.

STEM Showcase Inspired by Honeywell

The Arizona Diamondbacks and Honeywell are once again teaming up to inspire young innovators through the annual STEM Showcase Inspired by Honeywell, taking place during the D-backs vs. Phillies game on Sunday, September 21. Fans can explore interactive STEM displays throughout Chase Field and take part in a fun scavenger hunt for a chance to win prizes—all while learning about science, technology, engineering, and math in action. This annual event brings hands-on learning to the ballpark, showing that curiosity and teamwork fuel both great inventions and great baseball.

D-BACKS GIVE BACK

BIKE GIVEAWAY

IN PARTNERSHIP WITH bluesky PEST CONTROL

The Arizona Diamondbacks Foundation, in partnership with Blue Sky Pest Control and the Boys & Girls Clubs of the Valley – Arizona, celebrated the 4th annual bike giveaway in 2025, providing 150 brand-new bikes to kids. D-backs player Pavin Smith surprised the children. Kids also received bike safety instruction from the City of Mesa's Bicycle and Pedestrian Program and Mesa Fire Department, making it a fun, safe, and unforgettable community event.

DIAMONDBACKS

BOYS & GIRLS CLUB

The Arizona Diamondbacks and the Arizona Diamondbacks Foundation proudly support the Boys and Girls Clubs of the Valley, including the Arizona Diamondbacks Branch A Kieckhefer Family Legacy in South Phoenix. Through long standing investment, the D-backs help provide a safe and supportive environment where youth can learn, grow, and thrive. Each year, Diamondbacks players and staff visit the Club and host Club members at Chase Field, creating meaningful connections and unforgettable experiences that reinforce the organization's commitment to youth development and community impact.

DIAMONDBACKS

WINTER CLASSIC

presented by University of Phoenix®

Each year, Chase Field transforms into a magical winter wonderland for the D-backs Winter Classic presented by University of Phoenix. On December 8, 2025, more than 600 students from local Title I schools visited Chase Field for a memorable holiday celebration. Each child received brand new athletic shoes, socks, a backpack, books, and a D-backs sweatshirt, and enjoyed festive activities including photos with Santa, baseball lessons, and the University of Phoenix Reading Corner. The day was made even more special with appearances from Diamondbacks players and alumni including Brandon Pfaadt, Tim Tawa, Brandyn Garcia, JJ Putz, Augie Ojeda, and Chris Owings, along with mascot Baxter, who spent time connecting with students and creating unforgettable moments.

On September 28, 2025, the Arizona Diamondbacks Foundation hosted the 12th annual D-backs Race Against Cancer, presented by Dignity Health Cancer Institute. This impactful 5K run/walk brought together thousands of participants in downtown Phoenix, starting and finishing at Chase Field, in a powerful display of unity, remembrance, and hope.

Far more than a race, this event serves as a community-wide rally to raise awareness and funds for organizations across Arizona that provide critical cancer screening, treatment, and support services. The 2025 race directly benefited nonprofits offering essential care and resources to individuals and families affected by all types of cancer, helping to ease the burdens they face during the most challenging times.

By participating, supporters helped fuel local solutions in the fight against cancer, honoring survivors, remembering loved ones, and standing in solidarity with those currently battling the disease. The D-backs Race Against Cancer exemplifies the Foundation's enduring commitment to improving lives through health equity, access, and compassion—one step at a time.

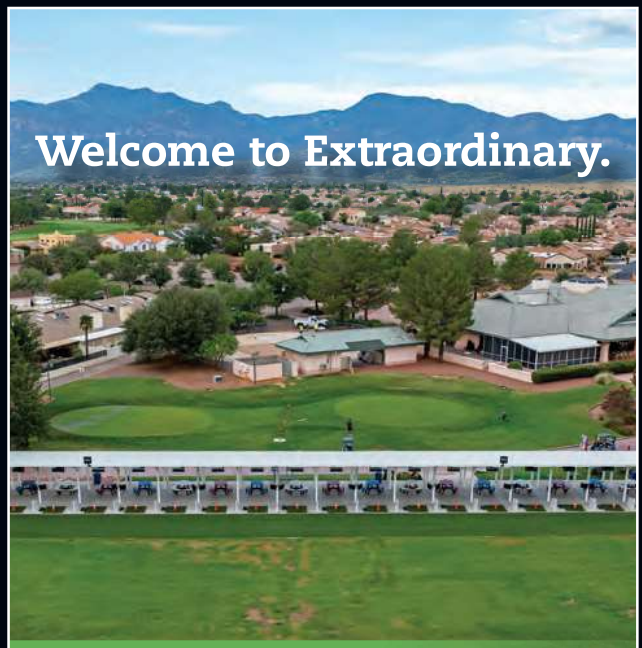
IAIA
INSTITUTE OF AMERICAN INDIAN ARTS
THE UNIVERSITY FOR INDIGENOUS CREATIVE EXCELLENCE

Indigenous Excellence. Creative Futures.

Celebrate creative excellence with the Institute of American Indian Arts (IAIA), where Indigenous innovation thrives. For more than 60 years, IAIA has empowered Indigenous students to develop artistic talent, strengthen cultural leadership, and build life-changing careers in arts, film, writing, museum studies, and more. We honor the skill and dedication of our students and alums—on campus in Santa Fe and across Indian Country—championing Indigenous excellence in every arena.

www.iaia.edu



Here in Sierra Vista, you can find it all, from state-of-the-art sports fields to incredible views of the Sky Islands. Play on engineered turf under expansive blue skies, enjoy a late afternoon playing golf, and end your day at one of many international restuarants.
